

Program:7

class Demo

```
{  
    public static void main(String[] args)  
    {  
        int i=1;  
        while(i<=10)  
        {  
            System.out.println(i);  
            i++;  
        }  
    }  
}
```

Output

1
2
3
4
5
6
7
8
9
10
